

**Part No: TLHF-4G-18G-X**

**High Pass Filter**

**电气特性 ELECTRICAL:**

| Parameter                | Min.           | Typ. | Max. | Units |
|--------------------------|----------------|------|------|-------|
| Frequency                | 4              |      | 18   | GHz   |
| Insertion Loss           |                |      | 1.5  | dB    |
| Pass band Ripple         |                |      | 1.2  | dB    |
| VSWR                     |                |      | 1.5  | M v   |
| Rejection                | >40dB@dc-3 Ghz |      |      |       |
| Power Handling           |                |      | 10   | Watts |
| Operating Temperature    | -40            |      | +70  | °C    |
| Impedance                | 50             |      |      | Ohms  |
| Input / Output Connector | SMA-Female     |      |      |       |

**外形尺寸 Outline Drawing:**

Unit: mm
